September 26, 1953 ~ May 15, 2023

Farewell my big brother, I thought I can be strong, then I realise that you're leaving and not coming back. I will missed every time and moments that we had in the last days before you gone,the laughter and talking with our mum .I will missed that. Rest in peace my dear humble brother till we will meet again. Ofa lahi atu kiho fofonga meiho sister Ana Faupula Funaki Likio.
