Your father was such an inspiration in my life —I'll never forget the kindness he showed me. Nothing I can say will take away the pain you're experiencing. Just want you to know that I care about you and family, and I share in your sadness. May you look back on the precious memories and find peace in knowing that your father was amazing person.

Keith was such a friendly man. Everyone was his friend. He will be remembered by all. He is with Don now remembering all they did together. He was the big brother he never had. He was the example for Don to follow as they were growing up.

Deepest sympathy goes to all the family of Orson Matthews who are feeling the loss of this wonderful man. Loved reading the beautiful tribute to him in his obituary, and believe that comfort comes in knowing he has been reunited with Jesus and all of his loving family and friends who have passed before him. Sending heartfelt prayers.
