I made it a point to sit next to PEPE in class so I could practice my Spanish…he told me about his plans and that he was going to move south of Logan to teach….i was auditing classes as I had graduated from college elsewhere. I told him I would help if he needed any. What an amazing and wonderful person. I am so happy that he accomplished his goals. Sally Bishop

I'm a former co-worker of Pepe and a friend since we met at West Jordan HS in the early 1990s. I'm saddened to hear of his passing. Pepe was a wonderful person and my thoughts will be with you and him forever.
