Pam Hart is a name I will never forget. When I was 16, my family moved from overseas to Sandy, Utah where I entered my Junior year at Alta High School. I struggled greatly with culture shock, language and making friends —as everyone already had well-formed cliques at the school. Pam took me under her wing. I spent countless hours in her office where she comforted me, talked with me and guided me for the next two years. She became my friend and was always willing to talk with me whenever I walked into her office. She wanted so much to help me adjust to the new school. She pulled many strings and waived requirements to help get me into different clubs and

organizations in the school so I could make friends. Later in my Senior year, she helped me in the application process for college scholarships and helped me earn one that enabled me to go on to higher education. Pam became a dear friend and mentor to me. She really truly cared about the high school students and knew their names and situations. She remembered my name years after high school graduation—when I saw her again. I will always thank her for the extremely kind and loving influence she had in my life to help me through one of the toughest adjustments I've faced. She was and is an angel. You will be missed Pam.

I was deeply saddened to hear about the passing of your beloved Sister Pam Hart. She was not just a neighbor, but a dear friend to me and Christin, and I will always cherish the warmth and kindness she brought to our neighborhood. Sister Hart was a remarkable person who touched the lives of everyone around her with her gentle spirit and loving heart. Her generosity and friendliness were unparalleled, and I feel fortunate to have had the opportunity to know her. She was always there with a smile, a helping hand, or a kind word to brighten anyone's day. I will never forget the countless acts of kindness and friendship that Pam shared with our family. Her presence brought a sense of unity and harmony to our neighborhood, making it a better place for all of us. I know that words cannot ease the pain of your loss, but please know that I share in your grief and will keep your family in my thoughts and prayers. Sister Hart will be greatly missed, but her memory will forever live on in the hearts of those she touched. If there's anything I can do to help during this difficult time, please do not hesitate to reach out. I am here to provide support and assistance in any way I can. Once again, my deepest condolences go out to you and your family. May you find strength in the loving memories you shared with Sister Hart. With sympathy, Steven and Christin Evans

Pam became my Minister shortly before I lost my dad to cancer. She gave me a beautiful planter that is still growing strong. Every time I look at it, I am reminded of her thoughtfulness. Pam always asked after myself and my mom, even though she was going through her own health trial. I unfortunately never had the chance to truly get to know Pam, but I was always impressed with her positive outlook on life and her continued willingness to serve other people. I will dearly miss her, and send my condolences to her family.

What a beautiful tribute to a very beautiful (inside and out) person!! Pam was always so helpful to my children as a school counselor, a church leader or as a nice neighbor. She is a great example of how to live life with a great attitude. Love to her family

Jack, I am so sorry to have missed Pam's funeral. So sorry to hear of her passing. I loved her with all my heart. I still do and so appreciated the friendship of your family. I remember tending the kids for a while when she worked doing flowers and she made me a beautiful center piece for Christmas. She was a beautiful, fun, fun lady. Bonnie Thomas 801-831-8913
