Ingrid Marie Jenkins

January 27, 2015 ~ January 27, 2015

Our little Ingrid Marie Jenkins was prematurely born at 1:15 p.m. on January 27, 2015 in Salt Lake City. She spent 3 1/2 precious hours with her parents before she peacefully passed away in her mother\s arms. Although her time here was short, she left a lasting impact on her family. Her life was a beautiful gift to us and we will remember her always. Ingrid is survived by her parents Elar and Danica and by her brother Axel Jenkins. She is also survived by her grandparents, Dan and Denise Richins and Wayne and Helen Jenkins and many other family members and friends.

The family would like to thank Dr. Kinghorn and the staff of St. Marks Hospital who provided such great care and support to Ingrid and her parents.
