Dear Blake and family, We loved seeing Pamela’s beautiful picture and reading about her stellar life. What an amazing person she is! We love her and will miss her so much! We are sad that we will be out of town helping to send off a family missionary on the day of her funeral! We would love to be in attendance, but our hearts, our love and our prayers will be with all of you that day as you celebrate a life so fully lived and mourn her passing. We are so saddened to hear of Pamela's passing. Some of our most cherished memories from living in Virginia are centered on Pamela. Pamela and Blake were always so welcoming and gracious in opening their home and hearts to the "orphans" without family in the area. She was the ideal Primary chorister, spending time not only with kids in Sharing Time, but ensuring the nursery kids were learning songs so they were prepared to join Primary as active participants. Her love for people was always evident, especially children. She is a kind, gentle soul with a heart of gold.

To The Christie Family: My condolences on the loss of your wife, mother and friend. Pam was one of the most well liked people in High School, and we would always sit and talk for a while at the School Reunions. She will be greatly missed next year at our 50th Reunion. and by me personally. I pray the Lord comfort and strengthen you in the coming days and know that the spirits of many of our friends / classmates will be there to meet her.
