I will miss her always smiling and her laugh at the Clinic. I wish she could of enjoyed her retirement longer. My prayers go out to her family.

You were way to young to leave. Will miss your smile and energy. Sorry you didn’t get to enjoy more of your retirement. Was looking forward to seeing you in July. Sending all my love to you & both of your lovely daughters. Good bye for now. Greg will be happy to see you.

I haven't seen Tisa since high school. I think I spotted her at our 40th reunion but didn't get close enough to catch up. Even as a teenager when most of us are angry and self involved, she was incredibly kind. She cared about others and never spoke ill of anyone. I am so sad she has left this earth. She was already heaven on earth now she is an angel in heaven. With deepest sympathy. Anne Freed
