

Carolyn Garrett Nate (Carrie)

January 21, 1938 ~ January 20, 2024

We started our club in 1960. We were friends from high school and loved to be together. I had the first club at my house and my mom made apple pie. We have been together every month all these years and loved each other through all that happen in our lives. Carries cooking was always the best. She was a wonderful friend to all of us.. Love you and your family so much.. Ron I hope you will have the Lords help and blessing that you need at this time.. Love to all of you..... LInda Fitt
