We are so sorry for your loss of your mother. Please know you're in our thoughts and prayers.

Dear Family of Cousin Carolyn. I am so sorry to hear about Carolyn's passing. She was always a kind and concerned friend when we had a chance to be together. Her friendship with my parents, Tony and Virginia Divino, when they were alive was wonderful to grow up with. I remember many years of pheasant hunting at Auntie's and Uncle Hugh's farm in Vernal and the long weekend visits with the family which me and my brother, Tony, remember well. Tony, my brother, said to express his condolences also when I came to the funeral today and he would have come to the funeral but he's on a planned trip to Cabo this week. I fully intended on coming this morning but I don't drive in the snow and when I awoke it was coming down hard and is still snowing now, 2 hours later. So please, know that I am thinking about you all, as well as Carolyn. I am so sorry for your loss. And I am sending you virtual hugs and prayers. God Bless Carolyn with all the wonders of heaven and you all with loving remembrances. Love, Marilyn Scott ps. Clay Hodges said to hug you for him also.
