It is hard to say good-bye to an old friend. Patty was the best phone friends anyone could have. Patty was voted the friendliest person in the class of ‘57 but we never spoken a word to each other in High School. But we started talking by phone sometime in 1990 and I don’t think there was a single month since then that we did not talk to each other at least once. We solved most of the world problems on the phone. We discussed everything from “birth of babies” to “victim of war” very openly. We had many good laughs and we shared many tears together. We both loved Poky High and thought the class of ‘57 was and will always be the best. I will miss her, our conversations, and her up friendship.

Dear Family, I will love your wife, mother, and grandmother, my dear Aunt Pat, forever. I’m so grateful that in 2018 Aunt Pat came to my wedding reception! (I loved seeing Cindy and Rita too of course) My fondest memories include the most recent phone calls with her, but especially when I was a little girl. I can still imagine her laugh! I’m so thankful for the years we had together as family & friends. Until we meet again Aunt Pat, thank you for the wonderful memories and the love you showed to me. Hugs & Kisses, Little Debby
