

Carolyn Stauffer

November 9, 1943 ~ December 20, 2025

I love Carolyn so much. She has been a good friend to me over the years. She has helped me on so many sewing projects. Her kindness and her friendship will be greatly missed.

I’m so sorry to hear of your loss Stacey and family. She was so fun to hang out with, I had a lot of laughs, and went through a lot of hard stuff. Only wish I could’ve been in a position to be more helpful. I had no idea you lost Mindee too. She was so beautiful, just like her sister. Please feel free to call me anytime. I would love to hear from you. 417-559-6299.
