Sending much love and deepest condolences to the entire Colarusso Family. I was privileged to have Martha as one of my wonderful Young Women's leaders. She was always a bright ray of sunshine with her big beautiful smile and warm heart. Trent was a fun and adventurous friend— the type that every person should have in their teenage years when it gets tricky trying to figure out life. Trent had a positive attitude and truly made all of us feel loved and cared about. I witnessed that house on the hill go from a big mound of rocks & dirt to the most breathtaking property in our neighborhood. The Colarusso boys are hard workers and dedicated to their family. The funeral services were beautiful, I was very touched. There's no question Paul was an incredible man who had a lot to be proud of throughout his life and now through the eternities. ■
