

Nona Lee Mead

July 30, 1939 ~ July 24, 2024

On July 24th, 2024, our sweet mom, Nona Lee Mead, passed away peacefully in her home surrounded by her children. Her passing came exactly five years to the day following her beloved husband Dayle's passing and just six days before her 85th birthday.

Nona was born on July 30, 1939 to Walter J. Rice and Winona Lee Kirk. She attended Olympus High School and went on to marry Donald R. Fox with whom she had five beautiful children. After the passing of Donald, she then met and married Dayle N. Mead (deceased) and added his two wonderful children to her family.

Nona had many interests in her life, one being entrepreneurship. She opened her own craft and needlepoint store. She was quite the saleswoman, selling lingerie, real estate, and insurance. Nona was a woman of many talents, entertaining large amounts of friends and family with her incredible cooking. Her annual Christmas party was an event we all looked forward to each year. She loved any chance to gather family, including her many sleepovers with all of her grandkids. Nona was a voracious reader, flying through the pages of her books at the kitchen table. This is where she also displayed her prowess with card games, known as the Card Shark among her family and friends.

Nona is survived by her children Marcus (Janeen) Fox, Kathy (Craig) Lindsay, Ken Fox, Kerri (Mike) Kellogg-Thomas, Jodi Mead, Lane (Atchara) Mead; 16 grandchildren and 21 great-grandchildren.

She is preceded in death by her parents, brother Dennis, husbands Donald and Dayle, son Kirk Fox, son-in-law Matthew Kellogg, and grandson Tegan Thomas.

All are welcome to greet the family at a viewing and celebration of life on Thursday August 1st, 2024 from 1:00-2:30 pm at Larkin Sunset Gardens, 1950 E Dimple Dell Road (10600 S.), Sandy, Utah.
