Jess, I am so very saddened to hear of Casey's passing. My heart goes out to you, and I mourn with you. I know there is not much that can be said. I just wish I was there to show my concern and support for you. I am with my daughter's family in NYC and we get home Saturday night, so for now my prayers will be offered in your behalf as I can't even imagine what you are going through. With sincere condolences, and heartfelt sympathy, and faith and love, Luke

I'm so very sorry for your loss. Casey was a great husband, father, son, and grandson. We will all miss his great smile and happy family gatherings. He was always fun to be around. I didn't get to enjoy all his cooking, but what I did was excellent. We love you Casey and will miss your happy personality.

Our sincere condolences for the loss of Casey. I was one of the very lucky coworkers to have had the privilege of working with him. Casey was blessed with the ability to make each person feel like they were extremely special. I so looked forward to the days he was there and was able to call on him to help a guest. More often than not the guest would return to me to check them out. They would comment on Casey, saying he had made them feel like family, or that their experience with him was extremely satisfying. It wasn't hard to build a friendship with him as it came so naturally. I miss you Casey, your time was so short, but God gained a special angel for a special job and called you home. I pray that each of your family will be comforted and find peace in the many long days ahead.

Casey was a true gentleman and a kindhearted soul. Many times, he made me laugh & feel welcome. Casey, shed your peaceful nature onto your most precious loved ones and be their guardian angel. Rest in peace, for you know that they are all in good hands as well. I'll miss your contagious smile, your jokes, great hugs & your sarcasm!! Please give my mom and grandma Baldwin one of your great hugs for me. This just breaks my heart. My love and most sincere condolences go out to all of Casey's family, but especially to those that I personally know, Tammy, Uncle Gary, Jess, Logan and Lincoln. Please know that I am there in heart & thoughts, and you will be in my prayers. I am so sorry for your loss. Very much love, Wendy

I only had the privilege of meeting with Casey a few times but they were very special! Casey always had a smile and showed so much love to our niece, Jessica. He was so proud of everything she did. And Jessica was so proud to show everyone what a special catch she had made. The love they share is so beautiful. I am so very sorry for the loss his family must experience. Hoping God wraps His arms around you and helps you through this!
