Wishing you comfort at this scary and sad time. ■

I send tender feelings to your family. Janet Taylor always said she had a wonderful sister.

Catherine was a wonderful neighbor and such a dedicated mother. She adored her children and was their greatest cheerleader. I enjoyed teaching some of them and appreciated her as a neighbor. We shared pride in the fact that our two homes (built almost 100 years ago) were the bookends of the south side of Herbert Avenue from 17th to 18th east. Such good times...such good memories.

- Barbara Paxton Pahnke

I so loved Catherine. I send my love to you and your family.

Catherine's funeral was everything she would have wanted it to be. She was so proud of all of you and must be bursting with joy today knowing how you loved her and one another. It was fun to see all of the grandchildren wearing their knitted items. Holding hands never sounded so good. May your many good memories and tender feelings bring you peace and comfort until you meet again.
