I am so sorry to hear of the loss of your loved one. May you find peace and comfort in the promises of our Heavenly Father Jehovah, as found in His Word the Bible, at Acts 24:15: "... there is going to be a resurrection of both the righteous and the unrighteous.", and Psalm 37:29: "The righteous will possess the earth, and they will live forever on it." www.jw.org

I met Peggy when I was a Jr at Taylorsville High school and she was doing her student teaching in the drama classes. We was very close for a while even after I graduated. I remember the drama teacher let her take over and Direct the musical Bye Bye Birdie. I was stage crew and did the lights for the show. She was so happy and proud of the show. I know it was her favorite. I will never forget Peggy.

Peggy helped me when I was a struggling youngster. I met her when she taught a summer at theater school. She spent a lot of time helping me refine my skills - and I eventually went on to work in both theater and film... her help along the way was vital to the skills I developed. She had an incredibly kind heart and was very empathetic. She arranged for me to have a room in my late teens when I was homeless. Over the years we fell out of touch besides occasional phone calls because life is like that. I'll never forget her efforts and will forever hold gratitude in my heart for her. Rest in peace friend, and thank you for everything. You are missed with a heavy heart.
