

Penny Bee Onstott

March 29, 1950 ~ June 4, 2023

Penny was an angel and such a sweet friend. She was a joy to be around, and I enjoyed so much our friendship over the years. She was an example of courage and perseverance as she battled so hard through her illness. She will always hold a special place in my heart as a dear and precious friend. Our thoughts and prayers for comfort and peace go out to her family at this tender time.

My condolences go out to Ken and their family in their loss. Penny was a special friend to me. She was the leader when we went visiting teaching together. She was always looking to find ways to help others. She was a true example of an angel on earth with the service she shared. Now she is free from the pain she had experienced. She will wait for the time you are all reconnected again. Be at peace and enjoy the rest of your lives. Love Jenice Davis
