She will be greatly missed with her radiant, outgoing and happy personality. Conversing with her was always a pleasure. May the God Lord bless and keep her till we meet again. All our love from the Azores, The Larcher Family

Sam and Family I am devastated to hear of the passing of that bright star, Catherine Coverston. She was so strong and capable and compassionate. I deeply regret that I will not be able to attend her viewing or funeral, but I will watch by distance, and my heart is filled with love and sympathy for you. Love, Elaine Marshall

Catherine was a very memorable colleague at BYU College of Nursing. I learned some helpful tips from her. And whenever I hear "Lord, I Would Follow Thee," I hear her phrasing and expression.

Dear Coverston Family, I was able to attend the funeral services for Catherine by Zoom. What a beautiful tribute! Thank you for the invitation to attend. My prayers and thoughts are with all of you at this sacred time in your lives. Sincerely, Rae Jeanne

Dear Coverston family, I am saddened to learn of Catherine’s recent passing. Catherine was my labor & delivery clinical instructor at BYU and taught me so much as one of her students. The lessons she taught me had had a lasting impact on my nursing career & life. Thank you for sharing your mother with me and other nursing students over the years. My prayers are with your family at this time.
