What an honor and privilege to be Cathy's friend! How I will miss her! Sending love and most sincere condulences to all of the Mullins' family. Cathy's funeral and burial were so sacred, beautiful, and deeply meaningful to me. I am so greatful to have known Cathy since Elementary School, and am so grateful for her love and friendship. I am so greatful to the Mullins' family for their love and support of me and my family over the many years. My heart grieves but is also so full of gratitude to have had Cathy and her family in my life. God be with you, dearest Cathy, until we meet again. Love you all so much! Carla Rae Cook Jorgensen

Cathy lived life to the fullest because of her determination and her terrific husband Jim. She certainly thought highly of her children and cared so much for them. I didn't know she had passed away until this morning when out of the blue I had a dream about her walking with me on a path, smiling, talking and then, just like her, spontaneously jumping fully dressed into the pond of water beside the trail and just swimming around. The dream made me think that perhaps she had moved on. So I looked online and found her obituary. Yes, she was out visiting an old friend today. That is Cathy!
