DiAnn, I am so sorry you've lost Perri. Such a great loss to you and this world. I truly loved him. I'm currently riding my Harley down the Oregon Coast with my passenger pegs down in honor of Perri and thinking about all the good times snd laughter I had with him and you. I'll miss his Celebration if Life, but I'm holding you close in my heart and saying prayers for you in this challenging time of sorrow. I love you and miss you so much.

I was truly saddened to hear this loss. Perri was a "regular" at our facility for many years, instructing our teams on forklift training. He ALWAYS had a smile and a story (and cookies!) to share with us when he came in! A man little in stature, but huge in heart...he will be missed by all of us. May you be blessed with love and comfort through these difficult times. ~Gary
