Thinking of you prayers for your family. You know me as Tarabell online.

- Amanda Hart

Cathy and I were neighborhood kids and high school mates. She was extraordinary then and never changed throughout the challenging hand she was dealt. She had enthusiasm, resilience and a kind heart. I am sorry for your loss.

- Lesa Straub Cash

I met Cathy online through our love of science fiction. She fought the disease that finally took her with all her strength. Her science fiction heroes would have been proud of her. Rest In Peace, Cathy.
