March 31, 1981 ~ December 3, 2023

R.i.p. philly you are gone but never forgotten. Fly high with the angels.

- Melissa leann

To the family of Rose and Willie Townsend, I like to send my condolences for your loss. The times I've been around Phillip has always been wonderful. Partly because we rarely seen each other and when we did, we laughed and joked a lot. Phillip had a very unique smile that would put a smile on the people around him as well as myself. I will forever love him. R.I.P nephew.

- Raymond White (Uncle)

Just want to say that I know it's hard to lose a child and someone so close you know. And Philly was more than just family to us. He was like our brother and I hope that he found that peace in his passing but just know that as much as we loved him. We love you the whole family the same.
