My deepest condolences to Nancy's family. Nancy and I were very good friends in our high school days. I will always remember her sitting at the dispatch desk sending out ice deliveries. We had many fun-filled days driving around in her blue Ford, shopping, and hanging out at Tape Head Company. Rest in peace my good friend from many, many years ago.

Nancy will be remembered in my heart forever. Her tenacity and will to press on, her vibrant soul, her ability to overcome hard things, her love of horses and children, the purple streak in her hair, rescuing animals of all kinds, giving more of herself than she should, the endless love for her children and others....these qualities will remind me of her always. Nancy yiu will always be a true warrior in my mind. My dogs will miss the treats you bring them and I will truly miss our bi-weekly visits . ❤️ Kara

I met Nancy two years ago in August. She became an amazing strength and comfort to me and a valuable friend. An irreplaceable friend! I have been trying to reach out and did not know of her passing. I am so sorry I did not know. Please take with you all of the wonderful strength Nancy had. I will miss her dearly. Camile
