

Cecile Endicott Dinsmore

October 15, 1938 ~ October 1, 2023

Ceil was a cherished friend and she will be greatly missed. I loved being around her. She was always optimistic, always had a project she was working on, and always shared her most precious thoughts about her beloved family. I send your family my love and prayers for comfort at this time and know you have many loving memories to cherish of her influence on all of you. ❤■
