Great woman! So loving and kind, great memories being at her house with my cousin Alison

- Shelley

I loved my Aunt Rachel dearly. I have so many fond memories of her and she was so kind to me. I spent many summers with my cousins at her home and she always made me feel welcome and loved. She will be greatly missed by all who had the pleasure of knowing her. She truly was a very special lady.

Dear family if Rachel Day Patience. My condolences to all of you. I remember eating a meal there at your home and Aunt Rachel was so busy serving everyone that I don't think she ever sat down!! She was a hard worker. She's in a much better place now and I can see her and your dad Joe enjoying being together again !!! My love to all of you. Cousin Cheryl Dee

was deeply saddened to hear about the passing of Mrs. Patience. She was a remarkable woman — full of curiosity, open-mindedness, and truly ahead of her time. Her love for travel reflected her adventurous spirit, and I fondly remember her trip to London to visit us. That memory will always remain special. May her beautiful legacy and inspiring life continue to comfort and guide all who knew her. My heartfelt condolences to you and your family during this difficult time. Rest in Peace
