

Ray DeVon Tippetts

February 5, 1937 ~ December 28, 2020

Ray was a dear friend for many years. We enjoyed many discussions about the gospel, family, and gardening, and home teaching together. He was a great support of Ilean's creativity as they made a beautiful home and yard together. I miss visiting with them. May God bless your family with peace and love at this time of sorrow.

- Dale Fisher

My condolences to you and your family. May God bless you and Watch over you during this time.

- Brent Jarvis

To the Tippetts family: I send my sincerest respect with the passing of your dad. I knew him through 2 different jobs as well with sports in Riverton when my children played baseball and softball. He was truly a wonderful man! He will be missed. God bless you all. Stephanie Erickson
