I am deeply sorry to hear about the sudden loss of your father. During this difficult time, please remember how exceptional you are and how much you have achieved. Your father's pride in you was undoubtedly immense, and his legacy lives on through your excellence, wisdom, and kindness. My thoughts are with you and your family. Gary and I were very shocked and so saddened to hear of your father‘s passing. We have been truly blessed to know your dad ever since Matt and Stephanie were married, especially since we share two very special granddaughters. Thank goodness for the gospel and our knowledge of the plan of happiness! Our thoughts and prayers are with you. May you and your families feel comfort and peace and know that we are thinking of you. Love, Gary and Carolyn Laird.

Brother Caldwell will be missed!

- Don Kopenhefer

What a sad, tender day it is for me to find out that my new, dear friend Ray Caldwell has passed on. I had the great privilege and honor to work with Ray in the Bountiful Temple. We had many, many moments together over the past several months. Times to share, learn, and grow. I heard of the tender moments with his daughter Heather and how

God comforted Ray and Kathie when they lost their little one. I heard Ray bear testimony on more than one occasion of the power of the ordinances of the Temple, and his personal experiences on his mission and throughout his life. I saw Ray's face light up when he talked about his family, and could see the righteous pride in eyes especially when he talked about his children and what great workers they are and the things they were and are doing in their lives. To include Thanksgiving preparation and who would be doing what. I loved hearing about the importance of education and what an example his father in law was to him in supporting education in the family. Ray felt the same way and wanted to promote learning with his posterity. Ray was one smart man, that was aware of so many things, and yet so unassuming. He did not need any attention, but was always willing to give his all. That is what I call Christ like. I saw him when he was nervous, I saw him when it was difficult to stand up or get around, and yet he never focused on his challenges, but always extolled his blessings. In the Temple, we always are impressed that the blessings and experiences we experience are not coincidences, but they are tender mercies. My time, one on one time, in private and public with Brother Raymond Don Caldwell is a great blessing in my life, and one that I will always cherish and be grateful for. I love the picture of Ray with his bright eyes, contagious smile, and great presence. What a great man, and dear friend. I am sure that there was and is a great reunion going on on the other side, and Ray will continue to have his presence felt with those he is no longer physically with. We love you Ray.

We extend our heartfelt condolences and pray for Ray's family. Ray was a devoted member of our Elders Quorum in the Bountiful Shadows Ward and loved to serve in the Bountiful Temple. He also served as a Ward Greeter, welcoming our members to Sacrament Meeting. We will miss Ray's testimony and jokes. It was fun to visit him and hear of Ray's trip to Alaska. He will be missed. Sincerely, David Oehler

I worked along side Bro. Raymond at the Bountiful Temple. It was sad to hear of his passing. I am sure he is continuing with this work in gathering Isaerl on the other side of the Veil. I hope you will feel the comfort of your Father-In-Heaven as you grieve his loss.

My thoughts are with all the family who are missing Raymond in their lives. I always enjoyed conversations with Raymond when I would visit with him at family get toghers. May God's love be with all of you.

I was so sorry when Garna told me that your dad had passed. I wasn't able to attend the surface, but I watched it on the Zoom podcast. I just wanted to tell you that it was such a beautiful, beautiful tribute to your dad. I wasn't able to make it up, but I watched it on Zoom cast and hearing everyone talk. I wish I could've seen the displays that you made. I learned so many things about your dad that I didn't know. I know you guys are going to miss him dearly till you see him again. What a beautiful job you did showing his love for you and your families and your love for him. Thank you for sharing it with all of us.
