I’m so sorry to hear of Bishop Evans passing. He will be remembered and missed for the wonderful person he is. I know my parents (Alvin and Nelda) gave him a big hug along with other Orange Ward members that went before him. You guys are in our thoughts and prayers.

Love Reed and all the Evans families that I know. Even a few years ago Reed was coming camping with the scouts and sharing his many talents. One of my favorite persons I served with.

I am sorry Diane that Reed has stepped thru the veil, but we both know where he is and what he is doing...right?! He is a good man! He did his work on earth. I pray for you to be able to continue yours. I can't even imagine what it is like to live for a time without your spouse. The Lord will help you as well as your family and your friends. Love Kathy
