Colton Kraig Thompson

October 21, 2016 ~ December 2, 2016

Colton Kraig Thompson returned to his Heavenly Father on Friday, December 2, 2016, held in the loving arms of his parents, Zachary and Nicura Thompson. Colton was born on October 21, 2016. He was a strong, little fighter as he suffered from the effects of Congenital Heart Disease. He left this life far too soon and will be greatly missed. He touched many lives in his six weeks here on earth.

Colton is survived by his loving parents, brothers Logan, Charlie and Kallan, grandparents Joann Martinez and Kevin and Lisa Thompson, great grandparents, many aunts, uncles and cousins, who love him dearly.

We are grateful for the tender, loving care given to Colton and his family by the nurses and other staff members in the CICU unit at Primary Children's Hospital.

We thank all of you for your kind words of love and comfort as you have followed Colton's journey. Stay "#ColtonStrong".
