I'm so sorry to hear a your mom's passing. My thoughts are with all of you at this difficult time.

Greater love hath no man than to give their life to others. Charlene was always happy and grateful for the life she was given. She accomplished much but I think her greatest treasures were her children and grandchildren. She always spoke of them. She taught them well to be loving and kind. They took great care of her in the last few years. You will be sorely missed but you were valiant to the end. We love you and Shellie. Can't name one without the other. Greater love hath a woman

Your niece will miss you too. My heart hurts without you here. I will miss our talks and sharing cupcakes. you were my favorite Aunt Char and I will carry you in my heart until I see you again.

What a fun gal to visit Charlene was! We will miss her wit and the twinkle in her eye when she would joke around with us. Thank you for sharing your sweet mom with us. I have no doubt she watches over each of you.
