Thinking of you at this time.

Marv and family- So sorry to hear of your loss. Renee was a kind and thoughtful person. So much fun in the neighborhood, all the plays and musicals she helped with are a fond memory for me. Much love to you all. Edie

SO sorry for your loss - but what a great woman and what a wonderful legacy she left for you all! I am SO grateful that I was able to make the connection between her and my mother (Joanne Koplin) at East Millcreek Elementary from so many years ago! What a small world we live in! May God bless you all at this time! So grateful for the gospel that offers us the knowledge that you will all be together again someday! Lots of hugs! Kari

One of my favorite cousins! Renee, Dora, and I spent many wonderful days on our horses as we grew up in Taylorsville. Our families traveled together, celebrated holidays together, went to church together.....so many fond memories! Renee endured her suffering with grace and dignity. She was always an example to me in every way. She will be sorely missed!!
