You will be deeply missed

- Julie Perkins

I didn't know Rex, but I know his daughter (Marie) and now I know why she is so amazing. What a touching obituary. I was moved to tears to read of Rex's love & passion for his family & faith. Thank you for sharing. Thoughts and prayers from my family to yours. I'm sure this is of little comfort during this difficult time, but I am grateful for the sealing power of the Priesthood and the knowledge that families can be together forever. With love, Andre.

I haven't seen Rex since High School. Was a friend all through school. Somehow we connected via Facebook in the last couple of years . Didn't communicate much. Was hoping to see him at a 5oth High School reunion a few weeks ago , but he didn't come. Didn't know much about his life since High School until seeing this obituary. Thank you for that. My condolences to all the family. Rex was a good man gone way to soon.

I was deeply saddened to hear about the passing of Uncle Rex. Please know that my thoughts and prayers are with you and the entire family during this incredibly difficult time. Uncle Rex will be remembered for his kindness, warmth, and the many ways he touched our lives. His presence brought so much joy, and I feel blessed to have known him. While words can never fully capture the depth of this loss, I hope you can find some comfort in the

beautiful memories you shared together. If there’s anything you need or any way I can support you, please don’t hesitate to reach out. Love Betty
