Sandra, my dear cousin, so sorry for your loss. Rick was such a special, fun loving spirit and a joy to be around. Your aunt Kathleen (my mother) adored him and looked forward to the many visits and turkey dinners and desserts you and Rick brought her. She would just beam with his fun loving teasing, and made sure he was offered her coveted See's chocolates! I smile when thinking of how he brightened and blessed our our lives. God bless.

We love Rick. It seems like he has always been in our lives. He was the one who taught us how to work on our Family History. We were blessed to be in the same ward as Rick and his family in Downey, CA. He treated our kids with love and Kindness. We were thrilled when we found out our daughter was being sent to Romania on her mission. Rick and Sandra kept a close eye on her for us and sent us pictures her too. What a comfort for us. We send our love and prayers to all the family at this time of loss.
