Agnes, We are sorry to hear that Brother Elzinga has passed away. It was a joy to work with him in the temple. His wry sense of humor was a delight. We are sure that he is brighting his family and friends on the other side of the veil. Perhaps it would be better to say that his is "bugging" them. Both of you brightened our lives here in Lincoln, Nebraska. You are missed here and he will be missed there.

- Jim and Susan Randall

Sister Elzinga and family, my thoughts and prayers are with you at this time of "graduation" for Brother Elzinga. We miss you both so much in the Winter Quarters Temple. You are loved. I hope he and Howard stay out of trouble on the other side!

I am Janet Vatsends daughter. So sorry for your loss. I don't know if anyone on the Vatsend side was aware he passed or they would have been at the funeral. We lost elane and Mary in July and August of 2024. Hildur was so proud of her son.
