Dick was a great friend. We know Margie is so happy to see him again. They were such a great couple.

A good man, a life well spent…rest in peace

- John beard

A great, considerate, unconditionally loving man has passed. He was always in a good mood and treated everyone with respect. He loved his wife tremendously, all of his children and grandchildren and was always there for them. He will be missed. Condolences to his family and friends.

When men sit around and talk about their friends that have come and gone during their time on this earth every once in a while you will hear mention of one of them being mentioned as a good man. It is a high compliment when men refer to another man as a good man. Dick in my eyes was the definition of a Good Man. Rest in peace cousin and my friend. With love and respect.
