This is truly devastating... Rick was a wonderful amazing man.. He had a heart of gold. I met Rick when I was 15 and very troubled.. He was working at Decker Lake, he was assigned as my case manager.. We clicked instantly. He was like the father I never had.. He always encouraged me to do better.. He believed in me, you have touched many lives... Gone to soon but never forgotten... Rest Easy Rick..

I met Ricky through Ron Harrell when I first began full time in JJS. It was the program First Start where I met him. After that he showed me the ropes and what I needed to do to be okay in this business. Ricky was always real and told me what I needed to hear and not what I wanted to hear. I did and will always appreciate him for that. Class personified!! Rest In Peace Bruh!!
