October 11, 1954 ~ March 23, 2024

Dear Rick, I was so excited today, June 28, 2024, that I had found your phone number & left a voicemail message for you to call me back. Wanted to catch up on old times to see how you and your family are doing. I knew it was your voice on the voicemail, can´t mistake your voice. After I left the voicemail message wanted to see if there was a picture of you, Paula and your kids on the internet. Then this popped up, boy what a loss for the World & everyone in it. I felt such a huge loss, and could not believe you weren´t here anymore. You Rick, are a dear, kind, creative, wonderful & awesome man. Heaven is so lucky to have you now! God bless Dear Paula and all your awesome daughters! God Bless all of you, Davy Gardiner
