

Charles "Chuck" Harold Hogan

February 4, 1947 ~ January 10, 2023

My favorite brother! He has inspired me my entire life. His optimism since Beckys death has been amazing. He had a love for his beautiful family which give him a reason for living, which many lesser men would have given up. My prayers are rejoicing the reunion with Becky, Harold, and Rowena (and of course Eddie and Jerry) . Enjoy this next phase of your life with a healthy body and the love of our Savior. I love you and am slightly envious. ❤■

What a wonderful neighbor Chuck was! We missed him when he moved from our neighborhood. Always he had a twinkle in his eye. He was a great neighbor. We loved him and will miss him! All our family sends their condolences.

Chuck was a member of the 5th ward that I attend and was always friendly and kind. He helped me and my son Derek with our income taxes and always made me feel welcomed. I have missed seeing him in our neighborhood and visiting with him each year around tax time. I express my deepest sympathy to his children.
