We are so sorry for your loss. Bob sounds like a wonderful husband, father, grandfather and great grandfather. It is wonderful to know of the Plan of Happiness and that someday we will all be reunited with those we love. You and your family are in our thoughts and prayers.

I have many fond memories of Brother Harden growing up in the Rose Park 11th ward. My family and his family had many children the same ages. He always had a great testimony and was a leader and example in the ward. Our thoughts and prayers are with the Harden family at this time.

We have known Elder and Sister Harden for the love and care that share during their service in Sri Lanka. He loved the people specially the children and the families. He was a such a good example for the saviours love and

humbleness. When I was in SLC last time he wanted to meet us and offered to go with us lunch or dinner, he wanted to know about saints in Negambo, how the church was doing in Sri Lanka, he was a great servent and a great example. Hope his family will be comforted in the Gospel, he will surly continue his work from other side of the Vail.

I am so sorry to hear of the passing of Bob.. I wish I had known him netter. I recently found that my neighborhood friend, Geri Main, knew him and the family very well. She told me she regretted that she couldn't attend the service, but family responsibilities kept her from coming. I enjoyed hearing from children of the lessons he taught them. the exemplary person he was, and his lasting influence for good. He was an amazing person. I express my love and prayers for comfort, peace, and an outpouring of love in the days to come. love, Nancy Woodbury
