

Robert “Bob” William Edwards

May 14, 1937 ~ May 2, 2023

I remember with great fondness President Edwards service in the Salt Lake Temple. His Christ like demeanor and love that radiated from him to the ordinance workers and patrons was memorable and significant. What a giant of a man in his great humility and profound love for the Savior.

Wonderful obit about Dear Bob, whom I knew well in earlier years. He was a great gentleman and person. And a brilliant lawyer in our shared profession. I knew his father well so many years ago, and had periods of acquaintance with his siblings Weston and Catherine. Judy, and family, I know how you will miss him. Memory of him and his good life will continue to be valuable inspiration to you.

I am so grateful to have known Brother Edwards. The last time I saw him he gave me a blessing prior to a surgery as my own father could not be there. He was always so interested in you -- what you thought, did, hoped, dreamed. Whenever I was in his presence, I felt he was looking after me, even though I was just the roommate of the fabulous Catherine. To me, he will always be family and I will miss his earnest attention and kindness during his New York visits.

Dear Robert and Family, We send our deepest condolences at the passing of your Father. My sister, Judy Dowse, is a close friend of your Mother and will be attending the funeral with her husband, but we have a family funeral here at the same hour. Over the years since your mission, Judy has brought us bits of news about you and your family. We want to thank you again for the outstanding missionary you were in Denmark , and let Jen, your children, siblings and others know what an excellent job you did as a companion and leader in that challenging mission field. We loved you then and we love you now and hope our paths will cross again in these few short years we have left. After a lifetime away from the center stakes, we have moved back to Provo, which we call "Our next to

the last resting place". Your friends and admirers. Praesident og Soster Jacobs

Dear Judy and the whole family, Bob was unfailingly kind and warm, a wonderful presence in the family and in the world. We will miss him and I know you and the family will miss him as well. George and I wish you comfort during this time of loss. Until we all meet again... Camilla and George Smith
