

Charles Philip Dew

March 4, 1951 ~ October 13, 2020

I was saddened with the news that Chuck had passed away. It is rare privilege that a person gets to rub shoulders with great people. Chuck is one of those whom I truly admired and looked up to. He was kind, patient, loving, and true to the Gospel. I will miss him a great deal.

Dear Pam, We love you and send our love to you at this difficult time. As you probably know, we have moved and truly miss you and all from the Eastridge 7th Ward. We will not be able to see you at the viewing or funeral since we will be out of town. We send our love and appreciation to you. You and Chuck are incredible people, and have served the Lord valiantly. We will see Chuck again in his perfected body. What a glorious day that will be. Again, Leslie and I love you and send that love to you. - Craig & Leslie Smith

Dear Pam and family, The Pennell Powell family want to send love and prayers at this difficult time. So sorry we are not able to attend in person. Mike is in a veterans home, in Boise. Teresa has a difficult time leaving her house, Karine is on vacation with her family this week, Jeff is at work driving truck across country and I found out today I have been exposed to someone who tested positive. This is not the world we grew up in and I would love to see you all. We do love you and miss the family reunions. May the Lord Bless you and give you comfort in the knowledge of eternal families. Love, Jerry and Judy Mackie Karine and Robert Christensen Jeff and Wendy Powell Kerry and Karen Powell Teresa and Mike Powell

We are so going to miss his sweet spirit! We loved the way he silently took care of you and supported you in the Gospel Doctrine class. Know the our thoughts and prayers are with you! Love you both! The Schroeders

I just saw this (Feb, 2021). Chuck, or Elder Dew as I knew him, meant so much to my life though I only knew him for a short while. He was the first “Mormon” that I had ever met in person when he knocked on our door in Memphis, Tennessee. His testimony was so strong & the light of the spirit was so bright that I have never forgotten him over these nearly 50 years. To his family I want to say that I’m so sorry for this great loss from your earthly lives. Knowing you will be together forever doesn’t always dampen the feelings of missing him while you’re still here and he is not. Sending my love to you all.
