

Charles Richard Fenton

April 12, 1935 ~ July 18, 2023

I remember Brother Fenton in our ward in Maryland back in the late ‘70’s. I was a teenager. Yes, I remember his smile. That’s about all I remember. He seemed to be enjoying everyone. My condolences to the family.

Uncle Richard had a warm caring heart, a never-ending smile and a unique laugh that made you smile. I now picture dad and uncle Richard taking their daily walks on the canal banks in heaven. Reminiscing and catching up on the good ole days. Our love and condolences to all of you that he leaves behind, Aunt Virginia, Brenda, Ricky, Gina and extended family ~ May your memories of him bring you Peace and Comfort. And know that, he and dad are watching over all of us, from above, with grins on their faces (probably the mischievous grins they normally had when they were together). With all our love, Rhonda & David (the Ronald Fenton Family)

Know, Virginia and family, I appreciate you and what you are enduring. How grateful I am to have known Richard, his humor and sometimes him being hysterically funny. Bill also had a high regard for him. I’m grateful to know you, Virginia, and you capacity for being a military wife as well as those pentagon years. I know it wasn’t easy or simple. My best to you and the family now as you go through this new chapter. Love and regards, Kathy
