Ted was a good friend and a thoughtful and generous person who tried to bring out the best in people and bring them together! A remarkable soul he will be sorely missed for all that knew him! My sincerest condolences to his family.

Shannon, Chris, Ivy and family We are so saddened to learn of Ted's recent passing in the prime of his life but are happy to know that he is now with his heavenly father. Although we haven't been in touch since Ted he left Lake Major after graduating from Cole Harbour High (I believe valedictorian), we have fond memories of Ted growing up in our small community when our children spent many times together. We pray that God will give you comfort as you grieve Ted's passing. Our sincere condolences to all Fred and Maureen Myers

- Maureen Myers

So sorry to hear of Ted's passing. My sincere condolences Kristy to you and your family and the extended families of both you and Ted. I consider Ted a good friend although we have not been in close contact for many years since his move west. We were planning to meet when we came to Utah a couple years ago but Covid scuttled the trip. I remember and have always admired his many talents and aptitudes, including a quick wit, easy sense of humour, and an intelligent and curious mind. I always enjoyed our conversations on a wide range of topics and his keen insights always helped broaden my perspective. Heaven has gained a great soul.

Hi Kristy - I was so saddened to hear of the passing of your dearest husband Ted. My thoughts and prayers are offered on your behalf and to your family. What a wonderfully written obituary honoring Ted's life. May our Heavenly Father continue to watch over you during this difficult time and remember the most important reason for our purpose in this life is to gain a body, grow, be tested, gain knowledge, experience life challenges, and to weep tears from the loss of loved ones. Know that I love you and am I'm thinking of you. Love Aunt Kathy

Kristy and Family, I am so sorry for your loss. My heart goes out to each of you at this time. It has been such a joy to get to know Ted and have him as a part of our family. I have cherished our time playing board games and cards at our family gatherings. We both liked to win and Ted made the challenge fun. I will miss you always, Tammy

Kristy, our hearts are broken. Having you as next door neighbors has been a joy and we will certainly miss chatting and laughing with Ted with you at his side. God bless you and your family during this difficult time.

Ted was such a wonderful person. We joined the church together and attended the Dartmouth Ward in Dartmouth Nova Scotia, Canada. We had great times being part of the YSA group and being the "new comers" to the group. His smile always lit up the room along with his laugh. I am thankful I had a chance to visit him and meet his wonderful wife Kristy when my daughters were attending BYU. Thank you Ted for being a part of my life and for being a wonderful friend. God Speed to you and your family.

- Theresa Bursey

Dear Kristy and family: I am so sad for you all regarding Ted's passing. I remember him most as a little and teenage boy, then he moved away and we lost touch except for facebook. But, he was my brother's son and my nephew and I loved him as I do all of my nephews and niece. You don't have to live close or be with family to love them. My thoughts and prayers are with you at this time and always. Love, Aunt Bev

- Beverley (Richardson) Mallory

I'm so sorry for the loss of this kind hearted man. Kristi - I never met you but I could tell that Ted found happiness with you - for this I am grateful!!

- Lisa Pattison

We met Ted shortly after he joined the Church when he and our oldest son, born the same year, became friends. Philip had already served a mission in California San Jose, and was also attending Dalhousie University. Ted was in our home many times. He always had a positive outlook, was very outgoing, and a great conversationalist. We were very sad to read his obituary which Philip sent to us via email this morning. We are so sorry for your loss. It sounds like the two of you were meant for each other. We express our condolences to you and all of his family, near and far.

- John & Janet MacLennan, Dartmouth, Nova Scotia
