Wyatt Riley Azarcon

July 30, 1995 ~ February 12, 2018

Wyatt was born July 30, 1995, in Denver, Colorado. He passed away February 12, 2018. He is the oldest of four children Presley, Stone, and Cassidy. Always the protective big brother, Wyatt watched over his siblings from near and afar, loving them with all his heart. Wyatt was passionate about music and art. He played piano by ear, was great at mixing music, loved concerts, and he sketched beautifully.

He cherished his friendships and thrived when surrounded by people. He grew up playing basketball, hockey, track, karate, and football, and excelled in all of them. His IQ tested at a genius level and he had a brilliant mind. Wyatt touched everyone he met with his laughter and humor. He never judged anyone and accepted us all for who we are regardless. He forgave freely and loved unconditionally. He was music to our hearts on earth. His soul now soars freely above the clouds bringing laughter to the heavens and smiles to us on earth.
