

Charlotte Elaine Hancey

October 23, 1955 ~ November 11, 2021

MY heartfelt condolences go out to the Hancey family. Loosing a spouse, mother, grandmother or close friend, is the hardest grief to bear. You need to help one another get through time of mourning. You know Charr loved you all and would not want you to be sad. She will be watching over you.

- David Kimber

Char you will be so missed by my son and our family. We loved seeing your happy smile when we came into daycare and my son treasures the time you took to teach him his numbers. Our condolences to the entire family for your loss. Char was such a special person I'm glad I got to meet her in this life.

- Nikki DiGirolamo

I would like to express my sincere sympathy to Char's family. Char was one of my daughter Lola's most favorite people in the world. Char had helped care for her from the time she was 8 weeks old and was such a key person in her life...spending more of her waking hours with her than her Dad and I were able to. It's really hard to walk into the daycare now and not see her sitting there....she will be greatly missed.

Words can express the sadness I feel in hearing of the loss of Charlotte. She was a great friend to us and also tended our children when they were young. They loved going to her house and loved her. When they moved Charlotte and I would get together while our husband went deer and elk hunting. We had many great times with the kids including sleep overs. She did have the biggest heart and would help anyone. Our thoughts and prayers will be with Dave, Justin, Brooke and Stacey during this difficult time. Just remember she is always in your heart. Take Care. Billy, Patti, Jason & Nick

We are so sorry for your loss! We have known Char probably 25 plus years. As preschool photographers we worked closely with her photographing all of little ones she cared for as the Director. She is one of the most caring & compassionate individuals that we know. A friendly person willing to go out of her way to make others feel warm

and welcome. She was exceptional at her job. A happy person to be around, that was always organized. Heaven gained an angel. Though you miss her, I know you haven't lost her. She will look over you & you will feel of presence, she will be your guardian angel & soon you will be rejoined with her again. May God bless & comfort you at this time! Love, The Warnick's.

We are forever grateful for Char's kind heart and the love she showed us while our kids attended Rainbow. We truly regret not keeping up with Char after our children left Rainbow. She sought out special gifts for them throughout the year and they were always thrilled at Char is very special to our family and will not be forgotten. With love, Bruce, Kim, Gilbert & Hannah
