

Robert Kenneth Runyan

September 27, 1934 ~ May 12, 2022

Our dear friends and neighbors for 42 years are truly missed. We traveled together, played cards together, and helped each other when needed. We love them dearly, and pray for Janet thru this time, and the entire family. Steve, you have been an amazing Son! So proud of you ♥■

Bob was the best darn friend a guy could ever want! I worked with Bob since 1981. You hardly ever saw him out of his uniform with name "Bob" proudly displayed on it no matter what day of the week. I'll forever treasure the stuff he taught me. Heidee and I visited them about 6 weeks ago and all Bob really had to say that day was that he had the Best wife a man could ever want or ask for with tears running down his cheeks. He loved you Janet. Runyan's you are all in our prayers and thoughts.

Bob was the kindest, shyest man. He would help anyone in need. All you had to do was ask him a question about a car, and if you needed help he was there. We will miss seeing him mowing his lawn, or fixing a sprinkler or working on a car in his garage. Condolences to Janet, Steve, and the rest of the family. They are what you call GOOD Neighbors.

Steve Sorry to hear about your dad passing, he was always such a class act. Although we hate to lose family and friends, I’m glad for his relief of the pains of his mortal body. Given your mom’s current health I hope that she can soon join him, I’m certain that they will have a happy reunion soon. Please let us know if we can help you with getting things done. Please express our thoughts and prayers to your family. Kirk
