Love you Aunt Charlotte

- David sessions

Charlotte was always so gracious and kind to all of us. We Sorensens honor her for raising such wonderful children. Her daughter Julie has been such a wonderful example of devotion to our brother Kent. Charlotte taught all of her children to be model parents. Her influence will live on and on.

One thing I know for sure, I would not be who I am without her. I am eternally grateful.

This lady was absolutely the most wonderful person I have ever known, we met working at the Salt Lake Clinic. We had so many good times together, everyone at the Clinic loved her so much. I cherish her friendship for ever. So sorry to Christine, Kathryn, Julie & Jack.

Charlotte was my boss in transcription at the Salt Lake Clinic. I enjoyed working with her and she taught me a lot that I use in my job everyday. She was a sweet and lovely lady. She came to my wedding and brought her sweet little granddaughter. I will miss her. My prayers go out to your families.
