Chase, honoring you for the last 12 years you were in our lives. You fought a good fight the past two years with courage, strength, endurance, love, perseverance, resilience, positivity, acceptance, and appreciation. You endured this trial with a smile, concern for others, no complaining and no pity parties! Thanks for being Kaylie's Soul Mate, partner, care giver, provider, best friend, chef, supporter, encourager, hero and team mate! You were always a hard working man who gave love and service to our family and we loved you so much. You overcome your trial with grace, and now your soul is free to soar, learn and grow! We will always treasure the wonderful memories we have with you.

Death takes the body. God takes the soul. Our minds hold the memories. Our hearts keep the love! Our faith lets us know we will meet again. My heart felt condolences to the family.
