
Sylvia Lloyd

February 23, 1948 ~ September 28, 2025

Sylvia Lloyd passed away on September 28, 2025, in West Jordan, Utah, at the age of 77. Born on February 23, 1948, in Salt Lake City, she was the daughter of Maurice Densley and Lola Fisher Lloyd.

"It is a serious thing to live in a society of possible gods and goddesses" to recognize that Sylvia and most of those among whom we live "may someday be creators which, if we saw them now, we would be strongly tempted to worship. It is in light of these overwhelming possibilities, its with the awe and circumspection proper to them and to her" that we express our gratitude for who they were and what they have done in coming into our lives maybe at great sacrifice to bless us because it through our association with them that we may find that we have qualified more perfectly for those greater blessing we hope to receive. For her ministering to us we will be eternally grateful.

~with quotes from C.S. Lewis

"Sylvia we will always love you-"

Sylvia is survived by her sister Diana L. Lloyd.
