So sad to hear of Roberta dying. Long time since we have visited but often have memories of good times with my cousin, Walter. My love to her family.

My deepest sincere condolences to my Aunt Roberta. I wish I could have attended out of respect for you and your family. Unfortunately my schedule wouldn’t allow it on this short notice. Love you very much and I will always remember your smile and kindness. Always enjoyed the visits and stories grandpa would share of you two. Your family has always been the best to visit with, so many memories. Rest In Peace Aunt Roberta, tell my grandpa I said hi. Go have some laughs together. Watch over all of us as we grow.
